

ELEMENTARY SCHOOL SUPPLY LIST

Please take these supplies to your student's homeroom teacher to be left in the classroom. These will be used for instruction for your child and for sanitizing the environment. Why do they have to bring supplies if they should have them with them, too? They run out, they leave them at home; they forget to bring them, etc. This ensures that they are always prepared. It is very helpful to have supplies from every student, and we thank you for your help in advance!!
